## EDUCATION LOAN

In order to encourage students to pursue higher education despite their financial shortcomings, nowadays, most banks, whether State or Centre Government, are providing attractive loan facilities for students. Therefore, CGC Jhanjeri has set up a dedicated loan assistance cell, which is the one-stop solution for students to obtain loans from banks with which the college has tie-ups.

Apply through  
**Vidyalakshmi**

Starting from 1st February 2018, central government had made it mandatory for banks to offer education loan only through Vidyalakshmi portal.

# RESEARCH & PATENTS

## RESEARCH PUBLICATIONS

CGC Jhanjeri gives full moral & financial support to promote research activities by the students and the staff. For this, all expenses, its presentation & publication in leading journals are borne by the college. As a result, a total of 427 research papers have so far been published in prestigious conferences & journals like International Journal of Computer Science & Engineering, International Journal of Engineering Sciences & Research Technology, Journals: International organization of Scientific Research, International Journal of Multimedia Tools &

Applications (Springer), Research Journal of App Sciences, Engineering & Technology etc.

## PATENTS

CGC Jhanjeri has framed a highly student friendly policy regarding filing of patents. While the expenses on developing and filing of patents are paid by the college, all benefits on approval of a patent & its subsequent commercial benefits are passed on to the inventors, students & the concerned teachers consequently 305 applications for patents have already been filed by the college, of which 144 have already being published.

## COVID-19 Campus Safety Measures

### Safety precautions to protect students, employees and visitors

Higher education is considered an essential service under government order. Limited instructional activity in lab settings is permitted under the order, as long as safety protocols are followed. Protocols must include: hygiene; social distancing; and cleaning and sanitization.

### Safety & Cleaning Protocols

- Lab spaces individually assessed
- Extra lab sections added or moved online
- Chairs removed to enforce social distancing
- COVID-19 cleaning protocols established
- Cleaning supplies provided for faculty
- Disinfected spaces sealed with tape to prevent unmonitored entry

### PROTECT THE UB COMMUNITY— AND YOURSELF

## SOCIAL DISTANCING

Do not gather in groups. Stay out of crowded places and avoid mass gatherings.

### Campus Modifications

- Plexiglass barriers and footsteps on the ground installed in areas where transactions occur
- Most furniture removed from common areas
- Heavy signage all over campus
- Limited entry to Library/Learning Commons
- Self-screening required before entering campus
- COVID-19 safety training assigned to all students and employees
- Tutoring and other support services being offered remotely through Zoom
- Cleaning and disinfecting protocols established for campus and college-owned housing
- All instruction fully online
- Custodial crews continually cleaning frequently touched surfaces with disinfectants
- Social distancing and Safety protocols at all places
