Craft Your Creative

Future with

B.Sc. Graphics and Web Design

#CGCMohali

#EachOne_OneJob

ABOUT THE COURSE AND ITS SCOPE

The B.Sc. in Graphics and Web Design program is tailored to help students develop the skills necessary for designing impactful digital content. From creating stunning visuals to building interactive websites, the program covers the essentials of graphic design, web technologies, and digital media. Students learn how to use industry-standard software and design principles to deliver innovative solutions across various digital platforms. With a focus on both creativity and technical expertise, graduates are prepared to excel in careers ranging from digital design and web development to branding and multimedia production.

B.Sc. Graphic and web designing at CGC Jhanjeri

The B.Sc. Multimedia program at CGC Jhanjeri is an innovative 6-semester course designed to equip students with the skills needed to excel in the fast-paced multimedia industry. With a sprawling 50-acre campus, cutting-edge facilities, and specialized design studios, students benefit from an immersive learning experience in a creative and modern environment.

The curriculum offers a deep dive into core areas such as graphic design, animation, video production, web development, and interactive content creation. By combining theoretical knowledge with practical, real-world applications, the program ensures that students are well-prepared for a variety of careers in digital marketing, multimedia art, game design, and more. Through industry-driven projects and workshops, students develop the creative and technical expertise necessary to thrive in today's competitive multimedia sector.

ELIGIBILITY

Candidates should have completed their 10+2 or an equivalent examination from a recognized Board/University/Council in any stream.
OR
Candidates who have passed the Matriculation examination and hold a three-year Diploma in any trade from the Punjab State Board of Technical Education & Industrial Training, Chandigarh, or an equivalent qualification from any other recognized State Board of Technical Education, or Sant Longowal Institute of Engineering & Technology, Longowal, are also eligible.
