Your Pathway to the Future of Secure Technology With **B.Tech. Blockchain**

#CGCMohali

#EachOne_OneJob

ABOUT THE COURSE AND ITS SCOPE

The B.Tech. in Blockchain program is designed to equip students with the skills and knowledge to revolutionize industries through decentralized technology. This course offers an in-depth understanding of blockchain architecture, smart contracts, cryptocurrency, and distributed ledger technologies, blending theoretical insights with practical applications. Students will gain expertise in developing secure, transparent, and immutable systems that address modern challenges in finance, healthcare, supply chain, and beyond. With blockchain rapidly reshaping global industries, graduates have vast career opportunities as Blockchain Developers, Smart Contract Engineers, Blockchain Architects, and Consultants. This program not only prepares students for current industry demands but also positions them as innovators in a transformative field poised for exponential growth.

B.TECH. BLOCKCHAIN AT CGC JHANJERI

Embark on an innovative academic journey with CGC Jhanjeri's B.Tech. in Blockchain, a program meticulously crafted to prepare students for success in the dynamic and transformative field of blockchain technology. Integrating a robust theoretical foundation with practical, hands-on learning, the curriculum covers blockchain fundamentals, smart contracts, cryptography, and decentralized systems, ensuring a holistic understanding of this cutting-edge domain. At CGC Jhanjeri, students benefit from industry-aligned training delivered by highly qualified educators who incorporate case studies and real-world applications into the learning experience. With state-of-the-art laboratories, a modern campus, and a focus on developing critical thinking, leadership, and communication skills, the program empowers graduates to address global challenges and lead innovation in industries such as finance, healthcare, and supply chain management. Choose CGC Jhanjeri's B.Tech. Blockchain program to shape a successful future in this revolutionary technology.

ELIGIBILITY

All those candidates who have passed the 10+2 examination from a Board recognized or established by the Central/State Government through legislation and a member of the Council of Boards of School Education (COBSE), New Delhi with Physics / Mathematics / Chemistry / Computer Science / Electronics / Information Technology / Biology / Informatics Practices / Biotechnology / Technical Vocational subject / Agriculture / Engineering Graphics / Business Studies / Entrepreneurship should have obtained at least 45% marks (40% marks in case of candidates belonging to reserved category).
