ABOUT THE COURSE AND ITS SCOPE

The B.Sc. in Fashion Design program at CGC Jhanjeri offers students an in-depth exploration of the world of fashion, from design concepts to final garment creation. The curriculum covers key areas such as fashion illustration, textiles, pattern making, garment construction, and fashion history, providing students with a solid foundation in both the artistic and technical aspects of fashion. With hands-on training in design studios and exposure to industry-standard tools, students develop the necessary skills to create innovative designs and stay ahead of global fashion trends. Graduates of the program are well-prepared for careers in fashion design, product development, fashion merchandising, and branding, with opportunities in the creative, retail, and fashion industries.

B.Sc. in Medical Laboratory Sciences (MLS) AT CGC JHANJERI

The Bachelor of Science (B.Sc.) in Fashion Designing at CGC Jhanjeri is a comprehensive 6-semester program designed to provide students with a solid foundation in both the artistic and technical aspects of fashion design. Set in a vibrant campus with modern classrooms and creative spaces, the program blends practical applications and conceptual understanding.

The curriculum covers key areas such as garment construction, textiles, fashion illustration, and trend analysis, equipping students with the skills needed to create innovative designs and stay ahead of industry trends. With hands-on experience, industry-focused projects, and workshops, students gain the practical knowledge needed to excel in the fast-paced fashion industry. The program is designed to foster creativity, critical thinking, and problem-solving, ensuring graduates are prepared for the dynamic demands of the fashion world.
